H-1143

1 Amend House File 553 as follows:

2 1. Page 1, before line 1 by inserting:

3 <Section 1. Section 455B.174, subsection 4,
4 paragraph a, subparagraph (1), Code 2015, is amended
5 to read as follows:

6 (1) Approve or disapprove the plans and
7 specifications for the construction of disposal
8 systems or public water supply systems except for
9 those sewer extensions and water supply distribution
10 system extensions which are reviewed by a city
11 or county public works department as set forth in
12 section 455B.183. If, during the review of the
13 plans and specifications for a disposal system, a
14 disagreement arises in regard to whether such plans
15 and specifications satisfy the statewide standards
16 established pursuant to section 455B.173, subsection
17 8, the applicant may request an interim appeal to
18 the director. If a request for an interim appeal
19 is received by the director, the director shall
20 meet with the applicant and department personnel
21 and shall make a written determination in regard
22 to whether the submitted plans and specifications
23 satisfy the statewide standards and reasonably
24 assure reliable compliance with applicable permit
25 requirements, and whether an exception to the statewide
26 standards is warranted. The director shall issue,
27 revoke, suspend, modify, or deny permits for the
28 operation, installation, construction, addition to,
29 or modification of any disposal system or public
30 water supply system except for sewer extensions and
31 water supply distribution system extensions which are
32 reviewed by a city or county public works department
33 as set forth in section 455B.183. The director shall
34 also issue, revoke, suspend, modify, or deny permits
35 for the discharge of any pollutant, or for the use or
36 disposal of sewage sludge. The permits shall contain
37 conditions and schedules of compliance as necessary to
38 meet the requirements of this part of this division
39 or chapter 459, subchapter III, the federal Water
40 Pollution Control Act and the federal Safe Drinking
41 Water Act. A permit issued under this chapter for the
42 use or disposal of sewage sludge is in addition to and
43 must contain references to any other permits required
44 under this chapter. The director shall not issue or
45 renew a permit to a disposal system or a public water
46 supply system which is not viable. If the director
47 has reasonable grounds to believe that a disposal
48 system or public water supply system is not viable, the
49 department may require the system to submit a business
50 plan as a means of determining viability. This plan
